# Technology

**Digital Signage:** This encompasses the 156 passive and 55 interactive screens mounted in public areas around the ship. This provides guests with the following information:

- **Wayfinding:** provides guests with step-by-step and mapped directions (in 6 languages) to all venues onboard Oasis; allows them to map the quickest path to their stateroom(s).
- **Cruise Compass:** digital cruise compass (in 6 languages) gives guests a snapshot of all activities by time of day and type of activity.
- **Restaurant Availability:** real-time restaurant occupancy rates. This application shows guests the current traffic to several Oasis complimentary and specialty venues.
- **General Information:** provides guests with information related to entertainment show times, guest services, excursions, real-time news, etc.
- **Digital Departures:** when ship departure time comes around, all screens on the ship turn into a handy guide informing guests of the departure procedure and other important-to-know information.
